Search# 20-MATHADJ

The University of New Haven invites applications for adjunct instructor positions in Mathematics to begin in Spring 2020.

The position supports the instructional needs of the Mathematics and Physics Department in teaching. The instructor would teach one or more college level math courses, possibly including Calculus or Elementary Statistics.

Preferred applicants would have excellent written and oral communication skills, a Master’s or PhD in Mathematics or Statistics, and at least one year of college level teaching. Experience with instructional technology, using web based instructional software, or other learning management systems is a plus.

Submit cover letter, curriculum vitae, a one-page teaching statement, a list of courses previously taught, and two letters of reference via email to hrdept@newhaven.edu or to:
