Department of Criminal Justice
Forensic Accounting (Search #11-76)

The Department of Criminal Justice, Henry C. Lee College of Criminal Justice and Forensic Sciences, University of New Haven, is recruiting for one Tenure-Track Faculty appointment in Forensic Accounting. A Non-Tenure Track or one-year Visiting Professor appointment may also be considered.

Position/Rank: One Tenure-track Assistant or Associate Professor position, or Non-Tenure Track Lecturer position, or Visiting Professor faculty position in the following specialty area:

Forensic Accounting (Specify Search # 11-76)

Tenure track appointments require substantial experience in Forensic Accounting Investigations, and either a record of published scholarship or evidence demonstrating the ability to develop a research agenda leading to substantial publications. A non-tenure track appointment may be available. Non-tenure track candidates must hold a graduate degree in a related area or a J.D. degree, with expertise in fraud investigations, business/economic crime, or white collar crime.

Qualifications: **Tenure Track** positions require a doctoral degree. A Ph.D. in Criminal Justice is strongly preferred. Another earned doctorate in a discipline other than criminal justice, that is otherwise consistent with the stated specialization, may also be considered. Doctoral Candidates (“A.B.D.”) who are nearing the completion of their doctoral degree program may also be considered for the Assistant Professor rank. A record of scholarship or the clear potential to publish is expected. A J.D. degree alone is not sufficient for a tenure-track appointment. All tenure-track faculty positions require teaching, scholarship, service and other duties consistent with the University’s *Faculty Handbook*. Applicants should provide evidence of teaching, scholarship, service, and any sponsored research or other grants/contracts activities.

The department may also consider applications for a one-year Visiting Professor appointment, or for another non-tenure track faculty appointment (e.g., Lecturer). **Visiting Professors** would generally be expected to hold a terminal degree appropriate to the area (e.g., a Ph.D.) and demonstrate a significant academic record or academic potential. For **Non-Tenure-Track** position consideration (e.g., Lecturer), a minimum of a relevant master’s degree or a J.D. degree and substantial, relevant practitioner experience is required.

About the University
