NTT or Tenure Track Faculty Position: Assistant Professor in Forensic Science Department

Organization Name: Forensic Science Department, University of New Haven

The successful candidate will be expected to teach course work in both the undergraduate and graduate forensic science programs at University of New Haven. Some of these courses will be consistent with the faculty member's area of expertise, and other courses will be general courses such as Introduction to Forensic Science. In addition, this candidate must be competent in advising and mentoring students at various levels and provide mentoring to undergraduate research students. Previous teaching experience in higher education is preferred. The successful candidate must be willing to teach some evening classes.

Qualifications:

Minimum requirement is a MSc in natural sciences or some closely related forensic science discipline. Areas of interest should include physical methods such as fingerprints, firearms, questioned documents and imprints/impressions. Significant practical experience and court room testimony is essential.

Other Information/How to Apply:

University of New Haven is home to one of the oldest and well-respected forensic science programs in the United States. Our graduates can be located in forensic science laboratories throughout the United States and abroad. We have newly renovated lab space as well as the recent addition of a high tech Henry Lee Institute of Forensic Science facility. Modern equipment, including various DNA analysis platforms, SEM, XRD, Raman Spectroscopy, GC/MS, LEEDS comparison microscopy, etc. are available for teaching and research.

Review of applications will begin immediately and conclude September 15, 2020. The position will remain open until filled. The anticipated start date is **January 1, 2021**. Interested applicants should submit a cover letter, curriculum vitae, and contact information for three references. Electronic submission is strongly preferred. Please submit application materials to <http://apply.interfolio.com/74513> and indicate position search #20-10F in the subject line. For additional information, feel free to contact Search Committee Chair, Virginia Maxwell, at vmaxwell@newhaven.edu, phone no. (203) 479-4599.

The University of New Haven follows the principles of affirmative action and equal employment opportunity in all of its employment practices.
