

BUSINESS MAJORS (NON-FAST TRACK)

Welcome to the College of Business! This document is for all Business majors (except those students participating in the Fast Track program) and will help you understand your first semester schedule. For the first semester, the Center for Student Success will register you for classes based on the results of your placement exams and pre-registration survey. (In subsequent semesters, you will register yourself for classes after consultation with an advisor.) While we can't promise the timing of your courses will be exactly what you want, we will do our best to arrange your classes to fit your schedule.
