

CHEMISTRY MAJORS

Welcome to the Tagliatela College of Engineering! This document is for all Chemistry majors, and will help you understand your first semester schedule. For the first semester, the Center for Student Success will register you for classes based on the results of your placement exams and pre-registration survey. In subsequent semesters, you will register yourself for classes after consultation with an advisor)

CALCULUS OR PRE-CALCULUS PLACEMENT

Calculus I or Pre-Calculus
General Chemistry I
General Chemistry I Lab
English (based on placement) OR UNIV 1141 (common course)
Elective

Students with AP credit for Chemistry may be placed in General Chemistry II or in Organic Chemistry I w/ lab. Students awarded credit for English will select an alternate course from the core curriculum. An additional course, fulfilling the core curriculum requirements or a second elective could also be added to the above schedule to increase the total credits to 17

COLLEGE ALGEBRA PLACEMENT

College Algebra
General Chemistry I
General Chemistry I Lab
Chemistry Workshop
English (based on placement) OR UNIV 1141 (common course)
Elective

An additional course fulfilling the core curriculum requirements or a second elective could also be added to the above schedule to increase the total credits to 16
