

FIRE SCIENCE MAJORS

First-Semester Registration Guide

Welcome to the Henry C. Lee College of Criminal Justice and Forensic Sciences at the University of New Haven. For your first semester as a Fire Science student, our Center for Student Success team will register you for classes based on the results of your placement exams and a brief pre-registration survey in your Road Map. (In subsequent semesters, you will register yourself for classes after consultation with an advisor.) While we can't promise that the timing of your courses will be exactly what you want, we will do our best to arrange your classes to fit your schedule.

ENGL
or
UNIV
1141

ENGLISH OR LIFE ON EARTH

The exact English course that you will take your first-semester is based on your standardized test scores or the results of your English placement exam.

OR

You will be registered for Life on Earth, a course for all incoming students.

MATH

MATHEMATICS

The exact math course that you will take your first-semester is based on the results of your math placement exam.

FIRE
1102

PRINCIPLES OF FIRE SCIENCE TECHNOLOGY

There are four sections of this course; students will be placed in a section based on whether or not they are living in the Fire Science LLC.

***Please Note:** If you have a valid Firefighter II Certificate, you will receive credit in lieu of FIRE1102.

choose
2

CORE CURRICULUM COURSES

You will choose your preferences for core curriculum courses in the short pre-registration survey in your Road Map under the Registration Step.
