

# UNDECLARED/ EXPLORATORY

## First Semester Course Schedule

Welcome to the College of Arts and Sciences at the University of New Haven. For your first semester, our Center for Student Success team will register you for classes based on the results of your placement exams and a brief pre-registration survey linked in your Road Map. (In subsequent semesters, you will register yourself for classes after consultation with an advisor.) Below are the courses you should expect to take during your first semester as an Undeclared/Exploratory student.

### UNIV 1150

#### Discovering Careers and Majors

This is a required, 1 credit course for all Undeclared/Exploratory students.

### LIFE ON EARTH

UNIV 1141

-OR-

### ENGLISH

The exact English course that you will take your first-semester is based on your standardized test scores or the results of your English placement exam.

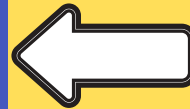

### CORE COURSE

Please select a preference in the Pre-Registration survey.

### MATH

The exact Math course that you will take your first-semester is based on the results of your Math placement exam.

### HISTORY

HIST 1101

Foundations of the Western World

-OR-

HIST 1102

The Western World in Modern Times

-OR-

HIST 1100

Thinking Historically About...

### ELECTIVE COURSE

For your 5th course, students should consider an elective. You may consider taking a course in one of the majors that most interests you.

*\* A Success Advisor from the Center for Student Success will assist you in making this choice.*
